FOR IMMEDIATE RELEASE

ParaFX.com Creates New Partner Alliances

ParaFX.com continues to be committed to our clients and their satisfaction. One of our strategies is to assemble more services under one roof so that our clients can completely manage any and all aspects of their web presence solutions through a central point.

To that end, ParaFX.com is proud to announce that we have peered with the design and marketing talents of Cynergyinteractive, a new Toronto based company with a team of industry talent. This relationship will bring design services to our clients, while at the same time, offering tighter integration between design and implementation.

In addition, other such relationships are in progress. To learn more about these relationships, partners etc. visit our Partners page

About ParaFX.com

ParaFX.com is a privately owned Internet Hosting Services Provider operating in Toronto, Canada. ParaFX.com, unlike many other service providers, work with partners and clients to provide a higher and more personal level of service. ParaFX.com prides itself in being able to provide customers with direct support and service from the owners directly, which ensure customers get the support they require in record turn-around time. ParaFX.com is a leading provider of Web hosting services to graduating students of post-secondary institutions such as Humber College of Applied Arts and Technology. ParaFX.com meets the needs of new designers and developers in this industry by working directly with post-secondary institutions to provide a cost effective portfolio hosting solution to students upon completion of their educational career. ParaFX.com has developed and will continue to develop an extensive and expandable hosting infrastructure that will prove to have the means to offer services never before available from conventional hosting providers. Through our focused operation, we will pursue a level of hosting services that will continue to exceed client expectations.
